

10th International Conference on Information Quality

MIT, Cambridge, Massachusetts, USA
November 4 - 6, 2005
<http://mitiq.mit.edu>

ICIQ-05

BACKGROUND

Hosted annually at MIT in Cambridge, MA since 1996, the *International Conference on Information Quality* (ICIQ) celebrating its 10th anniversary in 2005. Each year, the conference attracts numerous researchers and practitioners from the academic academy and both the public and private sectors. In addition to the official program, there are plenty of opportunities for informal discussions. The conference program will include tracks of practice-oriented papers, research papers, and panel sessions. ICIQ strongly encourages practitioners to submit papers that report experiences, lessons, and perspectives.

The 10th *International Conference on Information Quality* (ICIQ-05) will be held at MIT from November 4 (Friday, 5-6:30 p.m.) to November 6 (Sunday noon), 2005.
