

Author's Presentation Specifications

A Practice-oriented paper may be submitted as a regular paper (see paper specifications) or as a **Microsoft® PowerPoint** file. If you choose to submit a PowerPoint file, please follow these specifications:

All Slides

Use the background heading from the example¹

NO LOGOS

Include on Title Slide:

Title

Author Name (s)

Author Affiliation (s)

Author e-mail address (es)

Slide Specifications:

Background: background of your choice—simpler is better

Maximum # of slides: 30, including Title Slide, References, and Appendices

Font: Large enough read in the Conference Proceedings in which there will be 4-6 slides per page.

High contrast, i.e., light text on dark background or dark text on light background

References

In the body of the presentation:

Place quotes in square brackets with number only, e.g., [2].

At the end of the presentation:

Number all references in alphabetical order by author:

Journal article:

[1] DeLone, W. H., McLean, E. R. "Information Systems Success: The Quest for the Dependent Variable," *Information Systems Research*, 3 (1), 1992, pp.60-95.

Book:

[2] Bonini, C. P. *Simulation of Information and Decision Systems in the Firm*, Prentice-Hall, Englewood Cliffs, NJ, 1963, p. 137.

Presentations that do not conform to the specifications may not be included in the conference proceedings.

¹ For your convenience we have created an example that can also serve as your template, but you are not required to use it. It can be downloaded from http://www.iqconference.org/ICIQ/Author_Guidelines.htm. If you have questions regarding the paper format, or need assistance, please contact one of the ICIQ program chairs.
