

11th International Conference on Information Quality (ICIQ-06)

MIT, Cambridge, Massachusetts, USA

November 10 - 12, 2006

<http://mitiq.mit.edu>

BACKGROUND

The *International Conference on Information Quality* (ICIQ), also informally referred to as the MIT IQ Conference, is hosted annually at MIT in Cambridge, Massachusetts, USA. Each year, the conference attracts numerous researchers and practitioners from both the public and private sectors. In addition to the official program, there are plenty of opportunities for informal discussions. The conference program will include tracks of practice-oriented papers, research papers, and panel sessions. ICIQ strongly encourages practitioners to submit papers that report experiences, lessons, and perspectives.

The 11th *International Conference on Information Quality* will be held at MIT from November 10 (Friday, 5-6:30 p.m.) to November 12 (Sunday noon), 2006.

ICIQ-06 IMPORTANT DATES in 2006

July 08:	Submission deadline
August 11:	Notification of acceptance
August 31:	Early registration deadline
