Dear DQ/IQ Colleagues:

It's a pleasure to announce the Journal for the DQ/IQ field. Although not finalized yet, we plan to name the Journal as *Information Quality Research*. Attached is the initial organization (EIC, ME, AE). We plan to have the first issue published in 2007. Details will be announced as they become available. Reminders:

- ICIQ-06 paper submissions are due on July 8th.
- $1,000 plus a certificate for ICIQ-06 Best Paper Award.
- High-quality papers from ICIQ-06 will be fast tracked to IQR.

If you would be interested in serving as an IQR reviewer, please send an e-mail to Harry Zhu (mrzhu@mit.edu), Liz Pierce (empierce@grove.iup.edu), and Rich Wang (rwang@mit.edu).

If you would like to recommend someone as an AE (especially outside of the U.S.), please e-mail Yang Lee (y.lee@neu.edu or ylee@mit.edu), Stuart Madnick (smadnick@mit.edu), and Rich Wang.

If you would like the best paper from your workshop/conference to be considered for fast-track to IQR, please contact Yang Lee and Harry Zhu.

Cheers,
